

## STANLEY BAY SCHOOL

### SCIENCE ROADSHOW - BELMONT INTERMEDIATE SCHOOL

28th May 2018

Dear Parents/Caregivers

On 3rd July 2018, Year 5/6 will be attending the Science Roadshow at Belmont Intermediate School. The science roadshow provides quality interactive learning experiences in science, technology and innovation. Live shows and hands-on exhibits help broaden student knowledge and experience; connecting with science and technology and the world around them.

We will be travelling to the venue by bus, leaving school at 12.40pm and returning by 3pm.

We will require 3 adults per class to assist the teachers with supervision during our visit. We appreciate your support on trips such as these.

The cost for this trip is \$14 and will be charged as part of your term 2 costs.

Please complete the permission slip below and return it to the red letter box by Friday 8th June 2018.

Yours sincerely,

Helen Pelham, Brittany Turnbull and Caitlin Blackwell.
