

STANLEY BAY SCHOOL

Dear Parents,

As part of our inquiry learning this term we have been thinking about where we belong and people who are special to us. On Tuesday 2nd April from 10-11am, Kākano team will be holding a Special Person Day. Each child will invite one person to their classroom to see some of their learning and participate in some activities.

Your child's 'special person' could be:

- A grandparent
- An aunt or uncle
- A neighbour
- A family friend

If your child's special person is unable to come we can arrange an older student as a buddy for the day.

We look forward to meeting your child's special person.

Kind regards,

Kākano team

Megan McVerry, Helen Stedman, Maria Adam, Leah Taylor
