

STANLEY BAY
SCHOOL

08 August 2018

Dear Parents/Caregivers

On Tuesday 4th September 2018, Rooms 1, 2, 11, & 12 will be visiting the Auckland Zoo. The purpose of this trip is to compliment our inquiry learning focus of "How the World Works" within the context of the living world. Each class will be attending an education session at the zoo with a focus around adaptations in animals. Children will also get the opportunity to walk around the zoo before and after our education session.

We will be travelling to the venue by bus, leaving school at 9:15am and returning by 2:30pm.

We will require a small number of adults per class to assist the teachers with supervision during our visit. Parent helpers will travel with us on the bus and will be expected to supervise a small group of children when the class is walking around the zoo. We appreciate your support on trips such as these. Please note we cannot accommodate preschoolers on this trip.

The cost for this trip is \$24 and will appear as a trips and performance cost in your child's request for payment which can be paid via kindo.

Please complete the permission slip below and return it to **the red letterbox by Tuesday 21st August.**

Yours sincerely

Megan McVerry
Coordinating Teacher

Stanley Bay School
Junior Auckland Zoo Trip
