## Welcome

---

Nau mai haere mai

At Stanley Bay School we welcome international students and are committed to making their time with us a memorable 'kiwi' experience.

Our international students are cared for in a safe and inclusive environment that embraces diversity. We want children to feel happy and secure to develop self confidence in a supportive environment where learning is central to all that we do. We promote personal excellence and a belief that 'those who do their best do well' and pride ourselves on providing rich learning opportunities that encourage students to become confident learners and critical thinkers.

Our curriculum recognises that every child is unique and learns in different ways; we provide personalised learning programmes that allow students to lead their own learning. Our curriculum has strong foundations in literacy and maths and meets the needs of students through an inquiry approach which allows students to learn in contexts that are highly engaging, relevant and authentic.

We are a strong and inclusive school community and an exciting place to learn, we have a long history of high academic achievement and take pride that students leave our school with a sense of curiosity, wonder, drive and passion for learning.

We look forward to welcoming you to our school.

Principal / Director of International Students

## Learning Programmes

---

International students are placed in a class with students of the same age. They are encouraged and supported to participate in all areas of the curriculum including Education Outside the Classroom (EOTC).

If required international students will receive intensive, small group support with English language learning from the ESOL (English Speakers of Other Languages) teacher. Tuition will continue three times per week until the student is able to work independently in class. The ESOL teacher liaises with the classroom teacher to ensure that the student is settled, progressing with English and the school curriculum.

More information can be found on our website [www.stanleybay.school.nz](http://www.stanleybay.school.nz) or for details about studying in New Zealand go to [www.studyinnewzealand.govt.nz](http://www.studyinnewzealand.govt.nz)

International students must have appropriate and current medical and travel insurance while in New Zealand.

**Medical Insurance** must cover;

- medical care in New Zealand, including diagnosis, prescription, surgery, and hospitalization
- repatriation or expatriation of the student as a result of serious illness or injury, including cover of travel costs incurred by family members assisting

### **Accident Insurance**

The Accident Compensation Corporation provides accident insurance for all New Zealand citizens, residents, and temporary visitors to New Zealand, but you may still be liable for all other medical and related costs. - special learning or behavioral needs

Health or Learning needs do not necessarily lead to non-enrolment but failure to disclose this information could result in termination of the contract.

### **Automatic Acceptance**

The acceptance of one child within the family does not automatically mean the acceptance of other children within the immediate or extended family. However, Stanley Bay School will endeavor to accept all members of the same immediate family when their applications are received at the same time.

### **English Proficiency**

No child will be refused acceptance due to their level of English, as all levels of English proficiency are catered for at Stanley Bay School. A placement in the school will be offered when conditions of enrolment are met, a vacancy being available at the year level of the student and the fees having been paid.

## **Change of address**

Any change in contact details or residential address, must be given to the school on or before the date of change, in writing.

## Schooling in New Zealand

---

In New Zealand students begin school at Primary School from the age of 5. Then students attend a separate two year intermediate school where students are aged between 10 and 13 years of age. Finally students finish their schooling at secondary school.

Stanley Bay is a primary school and accepts students between 5 and 10 years old. When they finish their primary schooling most children will go to [Belmont Intermediate](#) School and then onto [Takapuna Grammar](#) School. Stanley Bay has a close working relationship with both schools and can support the transition for international students to Belmont Intermediate

Should you wish to contact Belmont Intermediate to find out about your child's next stage of schooling please contact Caroline Hood, International Student Director on [chood@belmontint.school.nz](mailto:chood@belmontint.school.nz)

At the end of year review, or sooner if required, the Director of International Students will provide students and their parents / legal guardians with information and advice on pathways for further study.
